

Danson Art Week

At the beginning of June, the children participated in Danson's Art Week which aimed to enrich our art curriculum and immerse the children in creative exploration and develop their artistic knowledge and skills.

Self-Portraits

The focus of the week was 'self-portraits' and each year group studied an artist, exploring their style, technique and pieces of artwork. Following this, the children produced their own self-portrait in the style of the artist studied. We were delighted to have Mrs Foskett visit and share her knowledge of art to support the staff and children in creating our pieces of art.

Art Exhibition

The children produced some fantastic pieces of art during the week and they should be incredibly proud of their achievements. Whilst exploring new techniques and learning new skills, the children demonstrated perseverance resilience and increased confidence, resulting in accomplishing some wonderful, individual, expressive self-portraits.

We would like to invite you to our own whole school art exhibition which will provide the opportunity to showcase the children's artwork and allow you to enjoy them for yourself.

The art exhibition will take place on:

Monday 6th and Tuesday 7th July

3:20pm – 4:00pm

In the school hall (Please enter via the KS2 playground)

Blackfen School for Girls

We were delighted to welcome a group of pupils from Blackfen School for Girls, who delivered some workshops for Years 5 and 6. The students delivered a presentation showcasing artwork completed across all year groups from Year 7 – Year 13. Following this they led a graffiti session workshop with the children. The children in Years 5 and 6 had an enjoyable afternoon, finding out about the type of art studied in secondary school and then completing the graffiti art pieces.

Parent Volunteers

It was a pleasure to have one of our parents, Mr Chown, come and talk to Years 3 and 4 about his job that involves using art and design. The children and staff were fascinated to hear about his work as a goldsmith and the processes involved in designing and crafting some amazing pieces of jewellery.

It was a fantastic week where the children all became artists and could showcase their artistic skills. Thank you to Mrs Zile for organising such a brilliant Art Week.

We look forward to seeing you at our art exhibition on the 6th and 7th July.
