4. On the left hand side, you can click to see your 'assigned' assignments that you need to complete, your 'returned with grade' assignments that your teacher has checked and returned to you and your 'missing' assignments that you have missed the due date for (but you can still complete them after this).

5. If you click on the title of the assignment, you can scroll down and see your teacher's private comments on that piece of work. You can type a message back to them by opening the file.
